Brands as Key Partners

In a period that talented Greek athletes excel in world sports, a Greek driver claims his place in the elite of world motorsport, using talent, perseverance and hard work as his weapons.

*The support of sponsors will be his «fuel» in the chase of the big target: becoming **the 1st Greek Formula 1 Driver.***

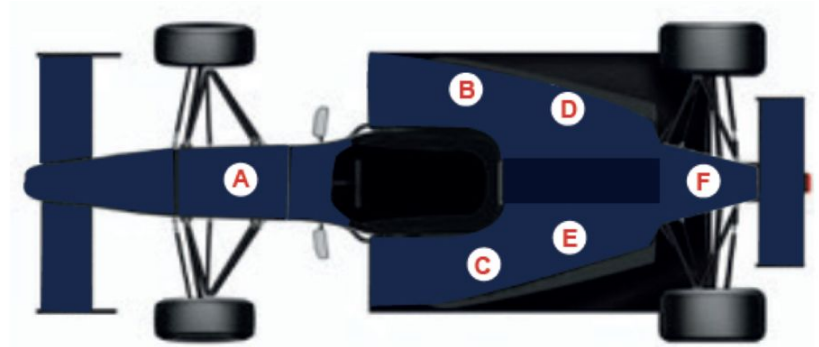

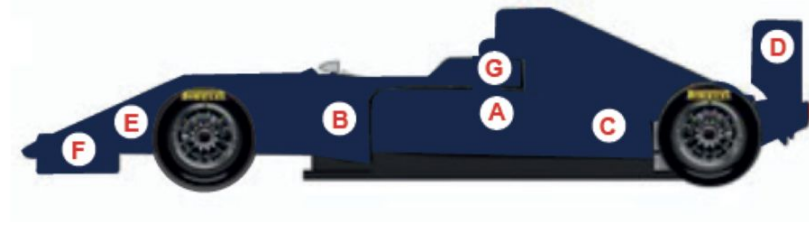

Support opportunities

- Branding on the Formula 4 racing car
- Branding on the driver's overall and helmet
- Branding on the driver's clothes in every public appearance
- Promotion through social media (Facebook, Instagram, Twitter) both the driver's and Cram Motorsport's official websites
- Promotion through Press Releases about all racing activities, with a dedicated press office with direct contact with all relative media (Magazines, Newspapers, TV, Websites)
- Exposure at Italian Formula 4 LIVE TV coverage
- Driver's participation in sponsor's events/campaigns

Sponsors branding

*Indicative sponsor projection
spaces on the car*

Sponsors branding

*Indicative sponsor projection spaces
on driver's overall*

Sponsors branding

*Indicative sponsor projection spaces
on driver's helmet*
